

## Chandler's personal contract

**Role:** Developer

- 1) What an A looks like
  - a) Getting all the plugins working
  - b) Getting all the content applied to the website
  - c) Work with site planner to make the theme
  - d) Communicate well with the group and incorporate group ideas into the website.
  - e) Convert any information to code if needed(wordpress will probably handle all of that)
  - f) Work well with Ethan, my fellow developer and do my share of the work.
- 2) What a B looks like
  - a) I do most of the plugins
  - b) I get most of the content applied
  - c) Work with site planner for themes
  - d) Communicate well with the group and incorporate some of the group ideas.
  - e) Don't convert any code if needed.
  - f) Work okay with Ethan, but doesn't do all of my work.
- 3) What a C looks like
  - a) I slack off and let Ethan do most of the plugins
  - b) I don't get all of my share of content applied
  - c) I don't work with the site planner
  - d) Some communication with the group, but a lack of incorporating group ideas.
  - e) Works with Ethan, but lets him do a lot of my work.
- 4) What A D looks like
  - a) I don't do any plugins
  - b) I get some of the content applied to the website
  - c) I don't work with the site planner
  - d) A lack of communication and cooperation with the group
  - e) Doesn't really work with Ethan, and lets him do all or most of the work
- 5) What a E looks like
  - a) AFK (Away from keyboard) the whole group process

b) doesn't do my share of the work.
