

Ethan's Personal Contract

Role: Developer

1. What an A looks like
 - a) Make sure all content is applied to site
 - b) Work with site planner on themes
 - c) Convert content to code
 - d) All plugins are working
 - e) Work with Chandler and do my side of the work of developing
2. What a B looks like
 - a) Most of the plugins are working
 - b) Only most of the content is applied to website
 - c) Work with site planner for themes
 - d) Work well with Chandler but I could communicate better
3. What a C looks like
 - a) I don't help much and Chandler does a lot of the plugins
 - b) I do not do my share of applying the content to the website
 - c) No cooperation with site planner on theme
 - d) Very little communication with the group and not incorporating group ideas
4. What a D looks like
 - a) I don't do any of the plugins
 - b) I barely get any content applied to the site
 - c) No cooperation with site planner on theme
 - d) I do not work with Chandler really at all and let him do the work
5. What an E looks like
 - a) Do not do anything for the group
 - b) Do not communicate at all
