

# Revised Personal Contract

**Team Member:** Taylor Worthington

**Website Name:** Wildcat Cafe

**Role:** Editor

I will be creating content for the following pages on the website: Social Media, Sourcing, Application, and Shop. Together, Kaitlyn and I will work on the Home page.

## A. What an A looks like:

1. Creates content for my assigned pages for the website (as mentioned above)
  - a. Content is cohesive and well written
  - b. No grammatical errors
2. Content is organized and structured by pages in a clear way that makes sense to the viewer
3. Effectively works with the developers and site planner to ensure all content is uploaded
4. Ensures that flow between pages exists
5. Creates merch for the shop page

## B. What a B Looks Like:

1. Creates content for most of the assigned pages on the website (3 out of 4)
  - a. Content is somewhat cohesive and well written
  - b. Few grammatical errors
2. Content is mostly organized and structured by pages in a clear way that makes sense to the viewer
3. Communication was mostly achieved with the developers and site planner to ensure all content is uploaded, but there were still some gaps
4. Flow lacks a little bit between some pages

## C. What a C Looks Like:

1. Creates content for about half of the pages for the website (2 out of 4)
  - a. Content is sort of cohesive but lacking in many places
  - b. Many grammatical errors
2. Content could be organized and structured in a better way but it is not non-existent
3. There was communication gaps between myself, the developers, and the site planner

4. The content between pages makes sense in some spots but is choppy in other places

D. What a D Looks Like:

1. Creates content for few pages of the website (1 out of 4)
  - a. Content lacks cohesiveness and is not well written
  - b. Many grammatical errors
2. Content is messy and not organized in a way that makes sense to the site, minimal effort was put in
3. The content is lacking to be uploaded to due to struggling communication between team members
4. Minimal flow between pages exists, it is very choppy

E. What an E Looks Like:

1. Content was barely created
  - a. There is no cohesiveness between content and it is not well written
  - b. The content was not proofread, there are many grammatical errors
2. There was no effort for any type of organization or structure between content
3. Some content was failed to be uploaded due to no communication between group members
4. There is no flow between the pages of the website
